A YEAR IN THE FIGHT AGAINST POVERTY

ANNUAL REPORT
2014 has been an exciting year for Ayuda en Acción, during which we have worked to build our future for more than 3,200,000 people. We currently work in 22 countries worldwide, reaching people by providing them with dignity and that their human rights are upheld, none of which would be possible without the help of our supporters. We would like to express our thanks to them for their continued support.

This year, we have also embarked on to improve the conditions and quality of life of the children being sponsored, but of their families and the little community as well.

Pedro Mora, Chief Executive of Ayuda en Acción
